Attraction

Sultan Palace, as known as The *Keraton* is one of the main heritage buildings in Yogyakarta where the Sultan of Yogyakarta and his family live.

Borobudur Temple, is the world's biggest Buddhist temple. The temple is decorated with thousands reliefs and hundreds of Buddha statues.

Prambanan, is the biggest Hindu temple compound in Indonesia, bringing the legendary story of Roro Jonggrang. Stunning night performance of Ramayana Dance bring a magnificent visualisation of legendary epos of Javanese culture.

Benteng Vredeburg, built in 1765 by Dutch as a capital and defense building of the government, the building is well maintained and now become a historical landmark museum.

Shopping

Malioboro, a famous street known as one-kilometer-pathway is a paradise of local souvenirs originally from Yogyakarta, and when the night passed, the streets were lined by traders of traditional foods.

Beringharjo Traditional Market, has been functioning as a trading place since 1758. Now, it offers more merchandise, ranging from batik, traditional snacks, Javanese herbs, food and more to explore.
